Dedicated to the ones with Hearts that are awake

CORRIDORSquotes

The heart is the monarch of the body

Tikunei haZohar, chapter

The Heart has always been a way for me to understand the world differently from others even as a very small child I could feel the difference and a longing for companionship in the thing I perceived in my heart that was rejected by all who knew me even my family. It is with great joy that I share my findings beloveds!!

1 Chronicles 29:17- I know, My God that you test the heart and are pleased with integrity. All These things I have given willingly and with honest intent (NIV)

Well, here we are in the second edition of this newsletter. I hope our previous download was just as edifying as this one will be. Without further ado let's get into it, shall we?

I kept going back and forth, sort of fighting with myself on how to write the next part. Should I skip to the prologue or stay at the introduction. I felt it best to stick with the intro and to keep going so here we are.

The ability to nullify one's body essence when studying the true Kabbalah is by incorporating Christ as our savior unlike what is taught by some sects that Christ was just an apostle. (Read Mark 12:10-11 & Psalm 118)

*Have you never read this Scripture: 'The stone the builders rejected has become the cornerstone. This is from the Lord, and it is marvelous in our eyes'?"

Essence has a few definitions, but I see this meaning to be more closer to this definition "The basic, real, and invariable nature of a thing or its significant individual feature or features." Also related to this philosophical definition "The inward nature, true substance, or constitution of anything as opposed to what is accidental, phenomenal, or illusory."

Killing the Ego... Hopeful Thoughtforms

When we take a look at Galatians 2:19-21 (AMP Version) “I have been crucified with Christ (**that is in him I have shared his crucifixion**); it is no longer I who live but, Christ lives in me. The life I now live in the body I live by faith. (**by adhering to, relying on, and completely trusting**) in the son of God, who loved me and gave himself up for me. I do not ignore or nullify the gracious gift of the grace of God. His amazing unmerited favor for if righteousness comes through observing the law, then Christ died needlessly. His suffering would have had no purpose whatsoever.” Understanding that this does not mean we do not follow the commandments but keeping in mind that even false churches, preachers, and so-called prophets adhered to a version of Gods laws by incorporating man’s precepts and fleshly understanding. ([Read D&C 45:28-29/ Isaiah 29:8-20](#))

Here is a breakdown of what I am trying to convey to you. Everything that you were taught by this world is an illusion or not part of the image you were created to be. We must crucify the flesh and listen to Yahuah. Trusting and allowing him to lead us. Not in the arm of flesh and man’s understanding of fear of the Lord but in awe/respect. When we have the pleasure of receiving divine inspiration from our creator, oh what an experience that is sharing in that moment. ***Yes!** I am saying that he will talk with you too just like he does me, but every relationship is different so the way he communicates with each of us will differ* You have to want to learn to hear from him and have the desire to listen with all of your being.

Romans 3:27-31- Where, then, is boasting? It is excluded. Because of what law? The law that requires works? No, because of the law that requires faith. For we maintain that a person is justified by faith apart from the works of the law. Or is God the God of Jews only? Is he not the God of Gentiles too? Yes, of Gentiles too, since there is only one God, who will justify the circumcised by faith and the uncircumcised through that same faith. Do we, then, nullify the law by this faith? Not at all! Rather, we uphold the law.

Continued

On page XVIII (pg. 18) 1st paragraph in the Tikunei Hazohar Vol. 1 it says, "This teaches us that whoever studies the wisdom of Kabbalah must also consider annulling their bodies essence, for the student of Kabbalah there is no room for remaining with the ego because then the study of life turns into a deadly poison."

The Tikunei also makes known that this knowledge was not available publicly before the coming of the Messiah.

The souls that will be here during the messianic era will be incarnations of the Generations of Knowledge and the Generation of the Wilderness. These groups will understand this knowledge.

Read Isaiah 11:9 Written in the Zohar Naso 90 it says: "and since the Israelites will taste of the tree of life which is this book of Zohar, they will go out of exile with mercy"

The Brightness of the Firmament

Read Daniel 12:3

1. and the wise shall shine like the brightness (Zohar) of the firmament.

It says the wise will shine like the brightness of the firmament and permission was given to Rav Shimon as well as power given to Elijah and all the angels to come unto them (and us as well) in a disguised and wise way.

The firmament contains all colors, shining with a brightness that sends out sparks. It shines bright like lightning, white like the moon, red like Mars, and a combined illumination that is green and bright green, like the sun and the stars. Emitting sparks with these particles of light flying in every direction. (like a pulsing light)

Did you know that the sun emits light mainly in the spectrum of green or bluish green. Me but I found this to be true in my studies that the sun emits all colors. Here is an article attached below with more information about the light spectrum of the sun.

Scriptures to Meditate on

The verse of the week TSP (Sealed Portion) 35:106-107

Behold, hath the Lord commanded any that they should not partake of his goodness? Behold I say unto you, Nay; but all men are privileged the one like unto the other, and none are forbidden. He commandeth that there shall be no priesthood's; for, behold priesthood's are that men preach and set themselves up for a light unto the world, that they may get gain and praise of the world; but they seek not the welfare of Zion. Behold, the Lord hath forbidden this thing; therefore, the Lord God hath given a commandment that all men should have charity, which charity is love, and except they should have charity they were nothing. Therefore, if they should have charity they would not suffer the laborer in Zion to perish. But the laborer in Zion shall labor for Zion; for if they labor for money they shall perish.

The Wise shall Shine

Daniel 12:3

The ten sefirot was given permission along with the angels and servants of the Most High God to reveal hidden secrets/light (*not seen on the spectrum*) to us if you so choose to take this path. There will be some souls that shine in the correction of the Firmament. The souls who illuminate due to their intelligence to know the secrets or rather the possession of the Holy Spirit. (*but we will get into that later*) On page 49 in section 6 a question was asked concerning what the Firmament is, and its correction also known as *Rakia*. Rakia means Expanse/Dome/Vault. The answer is that the souls of the righteous soar up from the firmament and shine in the light of the Moon.

Malchut if you remember means Kingdom and the light from the moon returns from here. [Read Gen. 1:17](#) This knowledge will be revealed by the people who deal with the Zohar. In this world which is known as judgement/probationary phase. The light must be extracted from Mercy Chassadim (acts of Loving-Kindness) in order to sustain worlds and to remove darkness in the final exile. [The Living Pulpit » Gemilut Chasadim: Turning Deeds of Loving Kindness into Sacred Actions](#) These souls radiate for the repair of the Rakia or Heaven, and these are the educated ones (understand the spiritual system) bringing light to the throne which is the original light bearer to this Earth. They fly from the heavens (Righteous ones) enlightened and the shine like the moon returning its light.
